Maintaining the Quality of Club Member Privileges

“Course Conditions” from the Super...

Not much going on for the maintenance crew this month...just two of the biggest tournaments of the year! The Outlaw Cup is Labor Day weekend and the LinkUs Celebrity Shootout is October 2nd & 3rd, so sign up to play and buy tickets to watch.

This month, the maintenance crew, Mike Stieler & I will be “fine tuning” the irrigation system and focusing on smaller details to get the course in top tournament condition. We look forward to providing the best greens in the Valley this fall.

I would personally like to thank you, the members, for your help in fixing ball marks, filling divots & bearing with us through another Fresno summer.

See you on the course...

Brian Daum

Patriot Golf Day is the flagship fundraiser for the Folds of Honor Foundation that provides postsecondary educational scholarships for the children and spouses of military men and women disabled or killed while serving our great nation. On Labor Day weekend, golfers across the country are asked to add an extra dollar to their greens fees to fund Folds of Honor scholarships. This heroic campaign is jointly supported by The PGA of America and the United States Golf Association.

The inaugural Patriot Golf Day in 2007 was started by Major Dan Rooney, Founder of the Folds of Honor Foundation, F-16 Pilot, PGA Professional, and USGA member. On Labor Day 2007, Rooney asked golfers to add \$1 to their greens fees. His request resulted in donations of more than \$1.1 million from more than 3,200 golf facilities. In the last three years, golfers nationwide have been instrumental in raising more than \$5.3 million through Patriot Golf Day events.

Patriot Golf Day 2010 will again be held during the Labor Day weekend, September 3-6, and you can join in. Charge to your American Express Card and they will match each donation dollar for dollar!
